

Barceló

HOTEL GROUP

March 2nd, 2021

Dear Valued Partner,

To reiterate our commitment and responsibility to face the global health contingency, we would like to update you the latest measures that have been implemented at **Barceló Hotel Group** resorts in México.

Effective from January 26th, the Center for Disease Control and Prevention (CDC) requires a negative COVID-19 antigen test for passengers traveling to the United States.

To help comply with this new resolution, Barceló Hotel Group offers on site testing available with negotiated special rates provided through the hospital and laboratories local network that performs antigen tests:

Destination	Hotel	On-site testing	Antigen test cost (TAX not included)
Riviera Maya	Barceló Maya Grand Resort	✓	\$15USD
Riviera Maya	Occidental at Xcaret Destination	✓	\$15USD
Los Cabos	Barceló Gran Faro Los Cabos	✓	\$17USD
Huatulco	Barceló Huatulco	✓	\$17 USD
Playacar	Royal Hideaway y Allegro Playacar	✓	\$27USD
Puerto Vallarta	Barceló Puerto Vallarta	✓	\$27USD
Nuevo Vallarta	Occidental Nuevo Vallarta	✓	\$27USD
Cancun	Occidental Costa Cancun y Tucancun	✓	\$29USD
Cozumel	Occidental y Allegro Cozumel	✓	\$30USD
Ixtapa	Barceló Ixtapa	✓	\$30USD
Manzanillo	Barceló Karmina	✓	\$50USD

We would like to inform you that Barceló Hotel Group is not responsible for the services provided through third parties, as well as for the documentation issued by the laboratories, the results of the antigen test and the certification to validate the results is the responsibility of the institutions that issue it.

Barceló

HOTEL GROUP

Barceló Hotel Group focuses on the instructions of the authorities to protect the health of guests and employees. Additionally, implementing the standards included within our **We Care About You** program, which exceeds the regulations and sanitary recommendations of all the countries in which the organization operates. In this way, the security and protection measures that the company has already integrated into its usual practices has been reinforced with the current standards and protocols, which are constantly under review and updated.

We appreciate your understanding, remaining at your disposal for any questions.

Kind Regards,
