Dear guest,

Great news: we are ready! As stated before, we are extremely speedy when it comes to providing you with a sensual, worry-free Desire experience, which is why it gives us great pleasure to share this with you: **COVID-19 top-quality antigen tests by a renowned clinical laboratory will be available in house at no additional cost for couples staying minimum 3 nights in any room category** and checking out as of Jan. 26. If you and your partner are staying less than 3 nights, it is all right, for tests will be available to you at a preferential rate of \$350 MX pesos (taxes included) per test. Tests results are delivered on a same-day basis.

Here is more important information you might want to know:

- **What happens if a guest tests positive?**

In the event of a positive test, guests have our full support. After receiving confirmation of a positive result, guests may spend the 14-day period required in a specially designated room at a special rate of \$125 USD per person, per night.

- **What happens if a guest tests positive and the partner tests negative?**

As a preventive measure, all room occupants may comply with the quarantine period whenever there is a positive result, even if the other guest tests negative.

- **What services and amenities are provided to guests in the specially designated rooms?**

Guests are provided with everything they could possibly need, such as food and beverages, linens, cleaning products, etc. All items are left by the room's door; please note that, due to safety measures, staff members are not allowed to interact with guests in the specially designated rooms.
